RE: St. Clair County Library System 2022 – additional closing request

Dear Commissioners;

Library administration, on behalf of the Library Board, is requesting permission to close the library system to public service for the following:

- Library administration is requesting to close the library system to public service on **Monday, June 6, 2022** for the purposes of an all-staff meeting and training opportunity. The Library has recently conducted an extensive recruitment of new employees and as a result been able to re-initiate expanded library services after the pandemic closure effects. Administration feels that this day of additional training would be a great benefit to the cohesive operation of the library system.

The St. Clair County Library System Board of Trustees approved these dates at their April 26, 2022 regular meeting. Thank you for your consideration.

Respectfully,

Allison S. Arnold, MLIS
Director
St. Clair County Library System
